## a note from the president

### Looking forward to a fun summer of soccer

The board of directors has been working hard all winter long preparing for the upcoming season. We have a good start on field naming rights (see page 2), registration forms have been coming in for our new summer tournament, and the contracts for the field usage is ready to go.

This year the FDLA has a new fundraiser called Pocket Peelers. It will still cost \$10 and you can save over \$200 per card. After using it three times, the card will have paid for itself. Each player will be asked to sell three, but is encouraged to sell more. This one-and-only fundraiser helps keep the cost down for our kids to play soccer.

To all referees, there is a new referees assignor. His name is Craig Norris. He is looking forward to work-

ing with all of you. Information will be on the website ([www.fondysoccer.com](http://www.fondysoccer.com)). You can also email me if you have any questions.

Check out our website. It will be getting a facelift and will be more user-friendly. Watch for our new help center. This will give the members an opportunity to check out how they can help the association.

I look forward to seeing you all very soon. My team schedule will allow me to spend more time out at the fields this summer.

If you haven't done so already, get your registration forms in. Time is running out!

Don Wirtz  
President FDLA

### Field Naming Rights and Sponsorship Opportunities

Ten years have past since the last filed naming rights. This is a great way for businesses/families in the community to contribute to the FDLA. These funds are used to support long-range plans that deal with upgrading the current fields and a possible addition of an indoor training facility. These contributions also allow us to keep membership fees affordable thus giving more of the youth in this community the opportunity to get involved in a great activity. Below you will find a contribution list breakdown for each age group.

- >Fields 2-6 - Large Fields - **\$10,000** for 10 years.
- >Fields 7-15 - U12 Size Fields - **\$5,000** for 10 years
